OBJECTIVE

I am a student at the University of Northampton, about to graduate from my Games Art BA. I am looking to gain experience in the Games Art field and learn more on my art journey as I grow my skills more in the digital world.

CAITLYN (LYNN) MOORE

EXPERIENCE

02/2025–Current
Metallic Poster Artist • Artist • Displate

Skillset:

- Creating clean art with minimal flaws to be printed in different large sizes.

- Creating a collection of art that is cohesive and consistent with my style and how I wish to brand my art.

EDUCATION

University of Northampton, Northamptonshire UK
- Predicted a 2-1 for graduation on November 2025

The following skillsets are skills I had learned during my time as a student:
- Experience in different forms of Digital 3D media such as 3DS Max, Maya and ZBrush.
- Creation of 3D Characters, with working rigs and animations.
- Understanding how to implement assets into Unreal Engine and Unity effectively.
